

Certificate of Factory Relocation and Company Name Change

To: Relevant Product Certification Authorities in Vietnam

This is to certify that our former manufacturing facility, **DONGGUAN GUOYANG ELECTRONIC TECHNOLOGY CO., LTD.**, was the designated production site for children's smart watches. Due to the expansion of production capacity and the implementation of factory standardization upgrades, the factory completed its overall relocation and company name change procedures on **January 26, 2026**. This official certificate is hereby issued to confirm the continuity between the former and current entities, the change of production site, and the continuation of the ISO management system certification, solely for the purpose of product certification review and record filing in Vietnam.

1. Former and Current Manufacturing Entities and Production Addresses

1.1 Former Manufacturing Entity (Old Factory)

Company Name: DONGGUAN GUOYANG ELECTRONIC TECHNOLOGY CO., LTD.

Production Address:

Room 201, Building 1, No. 2, Lindong Three Road, Lin Village, Tangxia Town, Dongguan, Guangdong, China

1.2 Current Manufacturing Entity (New Factory)

Company Name: DONGGUAN BAIZE JIAYING INTELLIGENT TECHNOLOGY CO., LTD.

Date of Incorporation: September 17, 2025

Production Address:

Room 301, Building 2, No. 3, Lindong 3rd Road, Lincun, Tangxia Town, Dongguan, Guangdong, China

2. Description of the Changes

This change only involves the relocation of the factory to a nearby site and the change of the registered company name. **There has been no change in the manufacturer, no business transfer, no corporate restructuring, and no outsourcing.** The former and current companies remain the same manufacturing entity under the same ultimate controlling party.

1. All production equipment, assembly lines, R&D personnel, and quality

inspection teams have been completely relocated to the new factory.

2. The production processes, raw material control standards, finished product inspection procedures, and the entire quality management system remain unchanged and continue to follow the standards established at the former factory. No changes have been made to the manufacturing process or product quality requirements.
3. The product categories, production capacity, and upstream and downstream supply chains remain unchanged. Only the registered company name and the actual production address have been updated.

3. ISO Management System Certification

The ISO Quality Management System Certificate previously held by **DONGGUAN GUOYANG ELECTRONIC TECHNOLOGY CO., LTD.** has expired and is no longer valid due to the factory relocation and company name change. Therefore, it can no longer be used for Vietnam product certification.

DONGGUAN BAIZE JIAYING INTELLIGENT TECHNOLOGY CO., LTD. currently holds a valid ISO Quality Management System Certificate. The certificate was initially registered on **January 26, 2026**, covering the entire manufacturing process of children's smart watches, including production, assembly, incoming material inspection, and finished product inspection.

The quality management system remains consistent with that of the former factory and legally replaces the expired certification. It serves as the valid quality management system certificate for Vietnam product certification.

4. Declaration on Qualification for Products Exported to Vietnam

Effective **January 26, 2026**, the date on which the factory relocation, company name change, and new ISO certificate became effective, all children's smart watches exported to the Vietnam market will use the valid ISO certificate of **DONGGUAN BAIZE JIAYING INTELLIGENT TECHNOLOGY CO., LTD.** for Vietnam product registration, customs clearance, and all certification procedures.

The former and current companies are the same manufacturing entity. The quality management qualifications have been legally and continuously maintained, and all production- and quality-related responsibilities are assumed by the new company.

This certificate is true and accurate in all respects, and contains no concealment or false statements. It is issued solely for review and record filing by the relevant certification authorities in Vietnam. Should any information contained herein be found to be

inaccurate, both the former and current companies shall jointly assume all responsibilities arising from product certification, international trade, and applicable foreign laws.
